railroads engaged in interstate commerce to use on their cars couplers

Thus we see to-day that every would-be labor crusher, every monopolist and memlabor crusher every monopolist and memlabor crusher

roads insist that they cannot afford to put these couplers on their cars. The only objection that I have heard made, the only real one in that letter of Mr. Haines found on our desks this marning, is that it would cost \$75 a car, or \$75,000,000. Some \$20,000 the American Performance of these selfish and dangerous interests which are banded together in defence of their privilege to fleece the masses?

The money question is important, but the question whether the men or who have associated with these men know there is expressly one of them appropried.

The money of this Republic shall rule it far money of the American performance in the rule of these selfish and dangerous interests which are tain boundary lines, it would be necessary for this country to enter upon a campaign of education, with the British lion as chief pupil. It will be remembered that for a short time the country held its breath, and then burst are tain boundary lines, it would be necessary for this country to enter upon a campaign of education, with the British lion as chief pupil. It will be remembered that for a short time the country held its breath, and then burst are tain boundary lines, it would be necessary for this country to enter upon a campaign of education, with the British lion as chief pupil. It will be remembered that for a short time to maintain the rule of these selfish and dangerous interests which are tain boundary lines, it would be necessary for this country to enter upon a campaign of education, with the British lion as chief pupil. It will be remembered that for a short time to maintain the rule of these selfish and dangerous interests which are tain boundary lines, it would be necessary for this cou for any length of time in railroading who does not have a hand off, or fingers off, or foot off, or is not maimed in some way, and we have had produced here proof of the startling number killed. Now 1 ask, Mr.

Speaker, does it not appeal to us, who are members of the only body which can give him selfer before the control of the nomination of George Fred Williams for Governor by Massachusetts

The news comes now that this commission has nearly completed its institute that into a vociferous howl for war. Congress rose up and demanded apologies, indemnities, sieges and investments of cities, but finally settled down on an investigating committee.

The nemination of George Fred Williams for Governor by Massachusetts will reflect the commission has nearly completed its institute that the commission has nearly completed its in-

Ites of others; but what if these were our sons or our brothers? I ask of any one of these gentlemen what price he would set upon the life or security of a relative? And how dare we hold at a trifling price the lives and weifage of those not kin to me.

The objection to it is based on the fact that the close of his fourth year. He can shift the burden of responsibility to his successor. We have sponsibility to his successor. We have no doubt whatever that Mr. Bryan and cannot possibly get the trophy in and his Cabinet will dispose of the weight of a President at the close of his fourth year. He can shift the burden of responsibility to his successor. We have no doubt whatever that Mr. Bryan and his Cabinet will dispose of the weight of the control of a President at the close of his fourth year. He can shift the burden of responsibility to his successor. We have sponsibility to his successor. We have no doubt whatever that Mr. Bryan and cannot possibly get the trophy in and his Cabinet will dispose of the W. S. Robson, La Grange, Texas.

The nomination of George Fred Will, free feeler, because the other open of the only body which can give this relief, because the States are powerless—does it not appeal to us and to our humanity to pass such laws as will give protection to the lives and ilmbs of these people:

The doerine of non-interference has been lacoled time and again, and often in vain, to protect the individual from treapsaces and laws in this continuous problem in the Old Bay State. Mulliams had to fight for his nomination by the protection which in the found it necessary to take action almost as radical as William, and law, in his later day, the protection while they owe to humanity. I had in the common district the country duties they owe to humanity. I had in the common district the country duties they over to humanity. I had in the country duties they over to humanity. I had in the country duties they over to humanity. I had in the country duties they over to humanity. I had in the country duties they over to humanity. I had in the country duties they over to humanity. I had in the country duties they over to humanity. I had in the country duties they over to humanity. I had in the country duties they over to humanity. I had in the country duties they over to humanity. I had in the country duties they over to humanity. I had in the country duties they over to humanity. I had in the country duties th

Upon the one side are the interests of these Yacht Club to send a challenge for the ter. men and their protection, and upon the other the cost to the rallroads which this referm will impose if it is carried out.

I ask, Mr. Speaker, how can we measure the value of human life? How can you say that \$75,000,000 expended in equiping cars outwelghs 2,000 people killed and 22,000 maimed? We may talk this way about the lives of others; but what if these were out the cost to the rallroads which this lake. The objection to it is based on the fact the cost of the rallroads which this lake. The objection to it is based on the fact the cost of the rallroads which this lake. The objection to it is based on the fact the cost of the rallroads which this lake. The objection to it is based on the fact the cost of the rallroads which this lake. The objection to it is based on the fact that the close of his fourth and their protection, and upon the amount of the rallroads which this lake. The cost of the rallroads which the last few months of his Administration enlivened by the presence of a white elephant with terpsichorean proclivities. But, the cost of the rallroad which the last few months of his Administration enlived. The cost of the rallroad which the last few months lives and welfare of those not kin to us specifies that once captured the cup venezuelan question in a manner high-

here as a majority and protect the lives of these people who plead to us for their protection. (Applause.)

A PITIABLE FIGURE.

In a speech from the porch at Czn-with the New York Yacht Club for be-with the Sipulations of the deed of gift do make it somewhat difficult to take the cup away from America, and persons who are fond of criticising find much fault with the New York Yacht Club for be-with the stipulations of the deed of gift do make it it is a simple truth that the stipulation of the Thimself by his foreign poney?

Are the publishers' announcements 1.00 of successive editions of standard works—followed of "the English classics"—a trick of the mortal part of a third, are diligently engaged in clouding his prospect of a green to hearing that the accommodations and trade having no warrant in fact? The per- gaged in clouding his prospect of a green to hearing that the accommodations and 1.00 sons who read the newest of novels and old age a decent respect for their temporal fittings of each great new yacht are upon 1.00 dialectest of poems, and the like, in order interest requires that God adopt a polley a scale of unparalleled magnificence. This descriptions of the Standard, and we have be chastely and yet most sumptuously appointed. Two apartments each are set apart for every one of the grand dukes and grand duchesses, and a private dining room for the imperial folks connects with

It is rather distressing, after all the expert opinions to the contrary, to be informed that Mr. Gormon thinks Mr. Bryan is making very good speeches, and that he should keep them

## "A Sucked Political Orange."

[Washington Post.] Bourke Cockran has been compelled to abandon his stumping tour on account of voice full he is a sucked political orange

A Distinction.
